

Join the commercial connectivity revolution

Cast a wider net for new business opportunities and become easy to do business with for your current agency partners. Commercial Submissions™ from Vertafore accelerates growth for carriers by connecting you to our network of independent agents for commercial lines quoting.

Get connected

You developed your commercial rating APIs. Now it's time to tap into Vertafore's vast network of independent agents.

If a risk is in your appetite, agents will see your carrier name displayed for selection. They can pre-fill the application with data from Vertafore's leading agency management systems, submit the data to multiple carrier partners with a single click, and see quotes in real-time in Commercial Submissions.

Lines of Business Supported by Commercial Submissions

- Business Owners Policy (BOP)
