

Check out this viewing guide for highlights from our First Quarter Product Update Video to see what happened in Q1 and what you have to look forward to through the rest of the year.

Product updates

What happened in Q1

- Introduced our new QQCatalyst product manager, Jon Duncan
- Continued a bi-weekly release cadence—the fastest of all of Vertafore's products
- Improved platform speed by more than 20%
- Increased scalability to support up to 200 locations and 1 million policies
- Integrated or enhanced existing integrations with eSignature providers
- Launched the Orange Partner Program to expand integrations

What to get ready for in 2019 and beyond

- More feature improvements including enhanced Claims Reporting, scheduled reporting, and a new retention dashboard widget
- Additional partners added to our Orange Partner Program based on your recommendations
- Further improvement to the overall performance of the QQCatalyst platform
- Continuous updating and enhancing of ACORD forms
- In 2020—refreshed user interface, expanded Salesroom and marketing automation, increased support for top commercial lines, expanded accounting functionality, and more

Additional Vertafore news

PL Rating

- For QQCatalyst users in California, Texas, and Florida, PL Rating now includes all of your carrier inventory that was part of FSC rater or QQ Webrater

Investments in your success

Customer Communications

- Don't forget to sign up for our monthly newsletter, *The Radar*, if you don't receive it already. It contains pertinent information about everything QQCatalyst—from tips and tricks to maximize productivity to best practices and key industry news.
- If you haven't seen them already, check out our [Did You Know?](#) video series to learn about the most underutilized features in QQCatalyst, valuable integrations, and new features and capabilities that will help you succeed.

Your resources

- [Ideas Portal](#)
- [NetVU Community](#)

Last but certainly not least, make sure you [register for Accelerate, powered by NetVU](#), in May in Cincinnati. This year we have updated the QQCatalyst track to include more impactful sessions you won't want to miss. This is your event to learn how to build a world-class agency, make the most of your insurtech investment, network with industry leaders, and cap it all off with an incredible party at Great American Ball Park, home of the Cincinnati Reds.
